Eastbourne Shopmobility reserves the right to refuse a request to borrow or hire equipment from the Scheme and to withdraw membership from any person deemed to be no longer able to safely use such equipment. The decision of Eastbourne Shopmobility is final.

All mobility equipment is offered subject to availability.

Eastbourne Shopmobility could not exist without the support and hard work of our Volunteers and although a nominal charge is made for the use of equipment, we are reliant on donations to maintain and improve the Scheme.

Supported by The Beacon Centre,  
Eastbourne, East Sussex, BN21 3NW.

Eastbourne Shopmobility provides manual and powered wheelchairs and scooters to members of the public with limited mobility.

We are a registered charity affiliated to the National Federation of Shopmobility.

Our purpose is to enable customers with a temporary or permanent disability to shop in the Arndale Centre and to enjoy the facilities in the town centre and on the seafront.

You do not have to be registered disabled or be in possession of an orange/blue card to use the Shopmobility scheme.

The Shopmobility office is just outside the entrance doors by Marks & Spencer adjacent to the car park exit ramp.

## On your first visit . . . .

You will be asked to complete a booking form and to produce two items of identification confirming your name and address, at least one of which should be a utility bill.

One of our staff will give you a short training session showing you how the wheelchair/scooter works and to ensure that you are competent to safely drive it.

## Advance Booking

As the Shopmobility scheme is extremely popular, especially at peak times, you are strongly recommended to pre-book your wheelchair or scooter on
