MARTINA NAVRATILOVA

Eastbourne Titles:

Record holder with 11 titles

I've got lots of great memories. I've been playing there since its conception in 1974, so I feel we have sort of grown up together. It's always nice to be there because there's such a relaxing atmosphere... It's as good as it gets really.

When I'm on the court I want to win and one of my motivations to play is that I still want to become a better tennis player... that's more of a goal for me now than any performance goals... or any goal you can set.
